

1E20 Monochrome Laser Report Printer

Local report printing, on demand, to meet your package management and mail accounting needs

Why wait in line at the networked MFP down the hall? The 1E20 provides desktop access to satisfy your immediate reporting needs.

The Pitney Bowes 1E20 monochrome desktop laser printer is ideal for your local printing needs in your shipping, receiving, and mailing environments. In addition to its fast print speed and high-quality crisp laser text and graphics printing, it includes an automatic duplex capability for two-sided printing. Connectivity is simple too with Hi-Speed USB 2.0 and Parallel interfaces.

Fast, high-quality output

Featuring an up to 32 page per minute print speed and delivering high-quality output at up to 1200 x 1200 dpi, you can quickly produce reports, spreadsheets and other shipping and accounting data.

Automatic duplex printing

Produce professional looking reports automatic duplex printing feature. This feature can help reduce your paper use and save money.

Flexible paper handling

An ample 300-sheet paper capacity helps reduce the number of times you have to refill the paper tray. The 1E20 has an adjustable 250-sheet capacity paper tray that handles up to legal size paper. A convenient fold-down, 50-sheet capacity multi-purpose tray and rear paper exit provide a straight-through paper path for printing envelopes, thicker media and custom paper sizes.
